# About Us

## Our Solutions Connect Performance & Possibilities.

PM Parts & More is a well-established export-oriented trading Company based in United Arab Emirates, specialized in supplying parts for cars and heavy-duty equipment.

We pride ourselves for being a trusted supplier of the most popular brands and hard-to-find parts.

Through our Internationally recognized logistics partner, Kintetsu World Express (KWE Japan), based in Dubai, we store and consolidate shipments when necessary. This flexible business model allows us to meet customer demands efficiently while minimizing inventory and delivery costs.

- Genuine, OEM and aftermarket spare parts for cars
- Bearings and spare parts for heavy-duty mining & farm equipment
- Lubricants and oils
- Consumables

# Founders' Message

With over four decades of professional experience in diverse industries, we share the same goal: to offer quality parts and provide exceptional service to our customers.

Since our foundation, we have built a solid reputation in supplying spare parts for cars, trucks, and heavy-duty equipment.

- Our aim is not to be the biggest but to be the best and to grow by helping our customers grow.

- We have dedicated ourselves to the growth of our company through customized solutions and simple business processes.

We support honest, ethical, and sustainable business practices.

# Our Vision

To be a preferred partner for customers, importers, traders and distributors while ensuring honesty, success, professionalism, and efficient operational execution.

## **Customer:** Our Trusted Guidance

Our suppliers are carefully selected to ensure that customers receive 100% genuine parts in their original packaging with excellent pricing

## **Business Excellence:** Simplicity of processes

To make it simple to work and do business with us

## **Consistency:** Lasting Collaborations

Investment in sustainable and mutually-beneficial partnerships with customers and suppliers

## **Integrity:** Right Actions for Meaningful Impact

Transparency in our processes while protecting confidential information.

# Core Values

Guiding Our Way Forward.

# Why Us?

## Recognized Suppliers

We do business with reliable suppliers of parts, lubricants, and bearings, delivering the best results for our customers.

## Excellence in Lead Time

We plan our schedules and routes to ensure order fulfillment on time.

## Quality Management

We ensure our products are genuine to give our customers confidence in every purchase.

## Non-Hierarchical Structure

Flat organizational structure, which makes us 'fast on our feet' to implement configured solutions.
